Dear Mr. Gunderson.

Please find enclosed the Pre-demolition Survey Report for Building 865 low bay. It is submitted for approval. The building is type 2. The Building 865 low bay is planned as a separate demolition from the high bay; therefore, isolation controls have been instituted for the low bay to prevent again contaminating this portion of the building.

Questions may be directed to Steve Tower at (303) 966-2133.

Sincerely,

Richard J. DiSalvo  
Acting Assistant Manager  
for Environment and Stewardship
